

# MEN'S ALBS SIZING CHART

## Measurement Guide

For greatest accuracy, we recommend that you have another person take your measurements. Do not measure yourself.

- A Height** Measure from top of head to floor in stocking feet.
- B Collar/Neck** Measure the circumference of your neck with two fingers under the measuring tape, or provide standard collar size from a comfortable-fit dress shirt.
- C Shoulder to Shoulder** Measure between the two outside shoulder bones.
- D Backlength** Measure from base of collar at the back of neck to desired hem length.
- E Chest/Bust** Measure fullest part of chest or bust, keeping measuring tape under arms and around shoulder blades, with two fingers under the tape.
- F Waist** Measure loosely at belly button, over a shirt, with two fingers under tape.
- G Hip** Measure loosely the fullest part of hip and rear end, with two fingers under the tape measure.
- H Sleeve Length** Measure from the center of the back of neck, over the shoulder, to the wrist bone.
