## Measurement Guide

For greatest accuracy, we recommend that you have another person take your measurements. Do not measure yourself.

### Custom-tailored Garments:

A \$55 custom-pattern fee will be added to all custom-tailored orders. Please be sure to double check your measurements, as these items are not returnable.

**A Height** Measure from top of head to floor in stocking feet.

**C Shoulder to Shoulder** Measure between the two outside shoulder bones.

**D Backlength** Measure from base of collar at the back of neck to desired hem length.
